Notice of Funding Availability
Fall 2004
Affordable Housing Competition for Rental Projects

The Department of Housing and Community Development (DHCD) is pleased to announce the start of the Fall 2004 affordable housing competition for rental projects. The deadline for submitting applications to the Fall 2004 competition is no later than the close of business Friday, September 10, 2004. Either before or on that date, DHCD will accept One-Stop Affordable Housing Applications from sponsors seeking the following affordable housing resources:

- Low Income Housing Tax Credits (LIHTC)
- HOME Investment Partnerships Program (HOME) monies in combination with Low Income Housing Tax Credits or as a funding source without tax credits
- Housing Stabilization Fund monies in combination with Low Income Housing Tax Credits or as a funding source without tax credits
- Housing Innovations Fund (HIF) monies as a funding source without Low Income Housing Tax Credits except where the sponsor intends to provide primarily homeless units in conjunction with appropriate supportive services
- Facilities Consolidation Fund (FCF) monies in combination with Low Income Housing Tax Credits or as a funding source without tax credits. Although these monies are available on a rolling basis, developers also may submit applications during this funding round.
- Capital Improvement & Preservation Fund (CIPF) monies in combination with Low Income Housing Tax Credits or as a source without tax credits. Although these monies are available on a rolling basis, developers also may submit applications during this funding round.

Sponsors of rental projects should note that the Department, in making its funding decisions, will strongly consider the degree to which a project exhibits the principles of smart growth and sustainable development. **The Department will also give priority in funding decisions to production projects.**

In addition, some sponsors of rental projects located outside the City of Boston may wish to seek an allocation of Section 8 project-based assistance from DHCD, in accordance with the revised statutory authority for this program included in the FFY 2001 VA-HUD appropriations bill and the U.S. Department of Housing and Urban Development's (HUD) Initial Guidance concerning these changes as published January 16, 2001 (Directive No. FR-4633-N-01).

Developers who intend to apply for tax credits during this competition must simultaneously identify and apply for any other DHCD resource to be included in the financing package. DHCD will not accept applications for additional resources at a later date from sponsors applying for tax credits during this competition. **Interested sponsors should refer to the program restrictions and additional application requirements summarized on pages 2-4 of this NOFA.**

Developers seeking HSF funds, HOME funds, FCF funds, or CIPF funds may apply for these funds in combination with tax credits or as funding source without tax credits. Developers seeking HIF funds may not apply for tax credits during this competition unless they intend to provide units for the homeless or households making the transition from homelessness in conjunction with significant supportive services. The availability of state resources such as HSF, HIF, FCF, and CIPF funds, provided from the proceeds of

the Commonwealth's general obligation bonds, is at all times subject to decisions on the bond accounts made from time to time by the Secretary of Administration and Finance. Developers seeking HOME or HSF funds for projects located in HOME entitlement/consortium communities should note that a local contribution of funds is required. Further information is available from the Division of Housing Development at (617) 573-1300.

In January 2000, Executive Order 418 (EO 418) was issued to encourage the creation of additional housing. In FY2005, EO 418 Housing Certification is a component score for applications by municipalities for the programs that comprise the Commonwealth Capital program (www.mass.gov/ocd/comcap.html). The housing programs covered by this NOFA are not part of the Commonwealth Capital program. While EO 418 will continue to affect the scoring of the tax credit program under the 2004 QAP, EO 418 certification will not impact the scoring of the remaining programs in this rental round.

Deleted: In keeping with the intent of EO 418, in the fall 2004 round DHCD will award bonus points to LIHTC, HOME, HSF and HIF applications for projects located in communities which have already been **FY 2005** certified under EO 418 or have submitted an **FY 2005** EO 418 application and supporting documentation on or before September 10, 2004, **and are successful in receiving certification through that application.**

I. Application Deadline

The deadline for submission of applications to the Fall 2004 affordable housing competition for rental projects will be, September 10, 2004, by the close of business. All applications must be received at:

Department of Housing and Community Development
Division of Housing Development
100 Cambridge Street, 3rd Floor
Boston, MA 02114

All applications must be submitted using version 1.17 of the One-Stop Affordable Housing Application and forms. Version 1.17 is the current version of the One-Stop available for download at: <http://www.onestopapp.com>. Instructions on the number of applications to be submitted and on the fees due are listed on pages 6 and 7 of this NOFA. **Applications submitted after the deadline will not be accepted by DHCD.**

II. Eligible Applicants

Each of the funding resources available during the Fall competition has guidelines and/or regulations describing eligible applicants. In general, eligible applicants are as follows:

- LIHTC: for-profit or non-profit developers
- HOME: for profit or non-profit developers, or municipalities in partnership with for-profit or non-profit developers
- HSF: for profit or non-profit developers, or municipalities in partnership with for-profit or non-profit developers
- HIF: non-profit developers
- FCF: non-profit developers
- CIPE: for-profit or non-profit developers

For additional information on eligible applicants for each resource, please contact the Division of Housing Development staff at (617) 573-1300.

III. Specific Program Guidelines for Fall 2004 Competition

Certain guidelines and/or regulations exist for each funding resource available during DHCD's fall 2004 competition. Sponsors should review copies of the current program-specific guidelines and/or regulations before preparing their funding applications. Sponsors who intend to prepare applications for tax credits in combination with other DHCD resources should take note of the following specific program standards:

- *Low Income Housing Tax Credits*: Please refer to the 2004 Tax Credit Qualified Allocation Plan.
- *HOME Investment Partnerships Program*: In general, \$750,000 is the maximum amount available per project; \$50,000 is the maximum amount available per affordable unit in HOME entitlement/consortium communities. In non-entitlement or non-consortium communities, the maximum amount available per affordable unit is \$65,000. Applications for projects located in municipalities that receive HOME funds directly from HUD must include matching funds (i.e. HOME, CDGB) as a funding source for the project. Each application must be signed by the chief elected official of the community in which the project is located. **Please Note:** All applicants for HOME should be aware that the U.S. Department of HUD federal lead-based paint regulation at 24 CFR Part 35 will apply to all projects that are awarded HOME monies.
- *Housing Stabilization Fund monies*: In general, \$750,000 is the maximum amount available per project; \$50,000 is the maximum amount available per affordable unit in HOME entitlement/consortium communities. In non-entitlement or non-consortium communities, the maximum amount available per affordable unit is \$65,000. These funds may not be combined with state HOME funds, although sponsors may seek these funds in combination with local HOME funds. Each application must be signed by the chief elected official of the community in which the project is located. Applications for projects located in municipalities that receive HOME funds directly from HUD must include matching funds as a financing source for the project.
- *Housing Innovations Fund*: Typically, the amount of HIF available to any project is limited by DHCD's program cap of \$500,000 per project and by a maximum of 50% of total development costs. A project sponsor should not apply for more than \$500,000 in HIF even if the maximum allowed percentage of TDC is higher than \$500,000.
- *Facilities Consolidation Fund*: Requests for FCF may not exceed 50% of the total development cost of the project (or of eligible units in a larger project). Please note that FCF funds are only available to entire projects or units in larger projects available for the exclusive use of the Department of Mental Health or Mental Retardation. **Sponsors must have received and must include in the application a certification from the central office of DMR or DMH that the project is part of the Facilities Consolidation Plan.**
- *Capital Improvement and Preservation Fund*: CIPF is intended to help preserve and improve projects where the prepayment of a state or federally-assisted mortgage would lead or has led to the termination of a use agreement for low income housing. CIPF funds are currently available on a rolling basis; however, these funds are subject to the bond expenditure cap established for DHCD by the Executive Office of Administration and Finance. The maximum amount of CIPF available per project is \$40,000 per unit for projects with more than 25 units with a per project maximum of \$2,000,000. The maximum amount of CIPF available per

project is \$50,000 per unit for projects with 25 units or less with a per project maximum of \$1,250,000. Sponsors must obtain a commitment of funds from the community in which the project is located. Interested parties should contact the Division of Housing Development staff to obtain more information.

- *Section 8 Project-Based Assistance:* A maximum of 100 Section 8 PBA vouchers will be made available as part of this funding round. DHCD expects to be able to execute AHAP contracts for these PBA vouchers in late 2005 for projects ready to close. All PBA voucher reservations are subject to available funding from HUD and DHCD. Successful respondents will be able to obtain DHCD PBA voucher assistance for a maximum of 25% of the total number of units financed. The 25% limit can be exceeded for units that will serve the elderly, the disabled or, with a HUD waiver, those receiving supportive services. PBA contract authority can be requested for up to 10 years, with the option to renew. PBA funds will be used to pay the owner a portion of the monthly rent on behalf of eligible households whose incomes must generally be at or below 30% of the area median income (AMI), and in no case can exceed 50% of AMI. No construction can begin until an Agreement to enter into a Housing Assistance Payments (AHAP) contract is signed; therefore, projects that are already in construction *cannot* receive PBA vouchers. Davis-Bacon wages must be paid in all projects with 9 or more PBA units. DHCD reserves the right to limit the number of PBA vouchers awarded to each project. Preference will be given to projects targeted to family housing. Tenants will be referred exclusively from the appropriate DHCD regional administering agency waiting list. DHCD *cannot* fund PBA requests for any project that requires a separate waiting list for tenant referrals. Sponsors must agree to comply with all Section 8 project-based voucher regulations found at CFR 24 Section 983, as revised Tuesday, January 16, 2001 in FR 4633-N-01. Interested sponsors should immediately contact both the Division of Housing Development at (617) 573-1300 and the Bureau of Federal Rental Assistance at (617) 573-1208, for further information about the Section 8 project-based option and how to structure the development and operating pro formas which must be submitted as part of the One-Stop application due on September 10, 2004.

IV. Competitive Evaluation Criteria

In general, applications will be evaluated according to criteria that apply to various DHCD funding programs. The Commonwealth's commitment to the principles of sustainable development are reflected in the Division's programs and policies. The specific criteria for tax credits applications are set forth in the 2004 Tax Credits Qualified Allocation Plan. In general, the evaluation criteria for all applications include but are not limited to the following:

- strength of overall concept
- strength of development team
- demonstrated need for project in the target neighborhood
- appropriate scope or rehabilitation of construction
- appropriate total development costs for properties included in proposal
- financial viability of the project
- degree of local support, including local funding commitments
- evidence of readiness to proceed
- evidence of satisfactory progress on projects previously funded with DHCD resources
- certification in accordance with Executive Order 418
- the degree to which the project incorporates sustainable development principles

Sponsors who are preparing applications for the Fall 2004 round should pay special attention to the cost limits recommended for tax credit projects and included in the 2004 Qualified Allocation Plan. For copies of the Qualified Allocation Plan, please contact DHCD's Division of Housing Development or visit our website: <http://www.mass.gov/dhcd>.

It is important to note that sponsors of applications to the Fall competition must be in good standing with DHCD with respect to any and all other affordable housing projects, supported by DHCD resources, with which they are involved. DHCD may elect not to review applications from sponsors who are not in good standing with the agency with respect to other projects.

See pages 6 and 7 of this NOFA for application requirements. Please contact DHCD's Division of Housing Development at (617) 573-1300 with any questions related to the Fall 2004 affordable housing competition for rental projects.
